SIGNATURE SKILLS

Technologies/Frameworks: HTML5, CSS3, Tailwind CSS, JavaScript, React.js, Node.js, Express.js, RESTful APIs, JWT Authentication

Tools/Platforms: Git, GitHub, Postman, MongoDB Compass, Mongoose, VS Code, React Dev Tools, Debugging, Performance Optimization

TECHNICAL PROJECTS

Restaurant Management System (Link)
- Designed a user-friendly Restaurant Management System using JavaScript, DOM manipulation, and event handling.
- Enabled customers to browse menus, place orders, and streamlined the ordering process.
- Implemented interactive UI elements to enhance the user experience.
  Skills Used: React, TailwindCSS, Event Handling, **UI/UX Design**.

Login-Signup Authentication (Link)
- Built a user authentication system with React, including signup, login, and protected profile access.
- Applied form **validation, authentication guards**, and session-based access control to **Protect Routes** from unauthorized users.
- Utilized React-router-dom, **Axios**, React-Toastify, and **React-icons** for seamless functionality.
  Additional functionality: React, **React-router-dom**, Axios, **Authentication**, Form Validation and enhance user experience with **React-Toastify** notifications and **MongoDB Atlas** for database storage.

Ecommerce Shopping App (Link)
- It refers to websites, web pages or anything that works over the internet.
- Developed an e-commerce web application with product listing and **cart management**.
- Implemented features like **add to cart, remove, and update** using Context API for state management.
- Enhanced user experience with react-toastify notifications for actions like adding/removing items.
  Tools: React, **Context API**, **Local Storage**, React-Toastify, UI/UX Design, **State Management**.

PROFESSIONAL EXPERIENCE

Data Entry Executive   Mar 2023 – Apr 2024 | New Delhi, India
Ajayvision pvt. Ltd. (VisionIAS)
- Entered, verified, and maintained large datasets in educational platforms.
- Created organized digital records for student information using Excel & internal systems.
- Prioritized urgent tasks and met strict daily deadlines efficiently.
- Ensured accuracy through double-checking and systematic reviews.

EDUCATIONAL QUALIFICATION

Master of Computer Applications (MCA)   Jul 2024 – Present | Arunachal Pradesh
Arunachal University of Studies

Diploma in Informational Technology
LBS Training Institute   Mar 2022 – Feb 2023 | Noida -22, UP

Bachelor of Arts
Deen Dayal Upadhyay Gorakhpur University   Jul 2018 – Dec 2021 | Gorakhpur, UP

CERTIFICATION

MERN Stack Developer
QSPIDERS
- Developed a strong understanding of **MongoDB, Express.js, React.js and Node.js**, enabling the creation of efficient full-stack Web applications.
- Gained hands-on experience building full-stack applications using **RESTful APIs and MongoDB** integration.
- User-centric applications through hands-on projects while mastering best practices for code optimization, effective debugging, and seamless version control using **Git and GitHub**.

KEY ACHIEVEMENT

LeetCode
Achieved 5-Star rating on LeetCode in C and JavaScript.
